Meet FlySpur's Wranglers~

Heather Barklow~Head Wrangler/Ambassador

Heather is no stranger to Rock Springs Ranch. She spent 8 seasons at RS and 6 years as the Head Wrangler, managing 75+ head of horses and running a riding program of 45+ riders throughout the summer months. She is proud to be a part of the FSR staff and brings her knowledge and enthusiasm to our vision.

Cody Lane~ Wrangler and Fishing Guide

At FSR he brings his knowledge of packing, outfitting, hunting, fishing, horticulture and a positive attitude. Happy Trails!!!!

What it means to have EquiShare at Rock Springs Ranch...

Hopefully by now, you've been able to ride out from our new auxiliary property, Rock Springs Ranch. It is located just 2 1/2 short miles from us, down Bailey/Tumalo Reservoir Rd. There are miles of stunning trails, splendid water crossings and mountain views.

Therese & Kevin worked for over a year to qualify for a Special Recreational Use Permit (SRP) with the Bureau of Land Management (BLM). An SRP is required for any commercial use on the BLM, and similar permits are required for other public and private tracts and lands in and around Bend.

FSR and HSW/RSR are currently the *only* permit holders in the Tumalo area licensed by the Oregon State Marine Board to take public guided trips (including horseback, hiking, jogging and mountain biking), and are the *only* permit holders for these portions of the BLM for horseback riding.

This is not only a very special privilege & right that very few outfitters obtain, but also an important obligation and responsibility. Not only does FlySpur pay a portion of its income to the BLM each year, it also carries the mantle of trail maintenance, land stewardship,

environmental impact practices, leave-no-trace policy and education that Rock Springs Guest Ranch initially established and continued to maintain for over a half a century here in the beautiful High Desert!

Happy Independence Day from FSR.....

FlySpur Ranch celebrated the 234th year of our country's

Independence by participating in the Bend Pet Parade and the 4th of July Freedom Festival in Drake Park.

It was a glorious day full of sunshine, big smiles and adorable, white, decorated ponies.

Our "future wranglers" rode along with their moms down the crowded streets of Bend. Even LambChop participated, with a toy saddle and his red,

white and blue. Thanks so much to all of those who participated and helped with the costumes and decorating.

Thank you Piper, Parker, Grace, Serene, Sarah, Marcy, Rich, Heather, Cody and especially Jordanna and Linda for baking 400 "paint" colored cupcakes in just 36 hours!! Yum!! We appreciate the support and the many visits from our ES members!
